<b>Day</b>	On request	8 hr	
<b>Week</b>	On request	40 hr	Best-rate tier

Operator included. Transport within ninety-minute radius included. Net-fifteen terms standard. Rates per project — text the operations line for the current sheet.

## OPERATOR

### Matthew Bücher

Equipment operator · Site work lead

Matthew runs the equipment on every Hemma site. He owns the machines and operates them himself — no day-rate operator off a list. The walk-the-grade conversation on a Hemma job is with the person at the controls.

OSHA-30 Construction

SERVICE AREA
